Launch Terre Haute is excited for our upcoming Fail Fest event where we have 12 local, regional and national speakers coming to share their stories of how failure played a role in their success.

Regardless of your background and interest, you are guaranteed to leave inspired, energized, motivated.

The day will be fast-paced with 20 minute "TED talks". If you can't stay for the entire day, feel free to come and go or join us for the morning or afternoon session.
